OLD MAIN

Alma Mater

Dear comrades true and loyal,
Join in a song of cheer
To thee, dear Alma Mater
As now we gather here.
Our hearts are filled with praises
Of one we fondly love
And whose memory lingers ever
No matter where we rove.

We love our dear old High School
And schoolmates every one.
To Gold and Black we're faithful
Till life's work here is done,
And through our every effort
We'll strive with all our might
To uphold our dear old High School
In its stand for truth and right.

Though far away we wander
Still true we'll ever be
To thee dear Alma Mater
And lessons learned from thee.
And through thy sons and daughters
Thy fame afar shall spread
Till honored be thy noble name
Through lives that they have led.

EARL SELL

Dedication

We, the senior class of East Greenville High School, dedicate this yearbook to Earl Sell, fellow classmate who passed away in our freshman year.

Earl was a kind and dependable member of our class, well liked by all of us.

Board of School Directors

TO THE CLASS OF 1950:

Your period of public education is about to end. We have attempted faithfully to discharge our obligations to you. We feel, especially since being recognized this year as a school accredited by the Commission on Secondary Schools of the Middle States Association of Secondary Schools and Colleges, that you in this comparatively small community have enjoyed all the educational advantages possible, excepting schools of the very largest communities. We believe our excellent school staff has done much to make this so. Your success alone will substantiate our beliefs and reward our efforts.

Best wishes!

BOARD OF SCHOOL DIRECTORS

H. M. BARTHOLOMEW, *Secretary*

STANLEY M. KURTZ

TO THE CLASS OF 1950:

The Class of 1950 goes from high school into a world beset with unrest and rumors of preparations for war. This situation appears to be the result of a conflict in concepts of government and religion, communism versus capitalism. This country has become the greatest country in the world because of our fundamental religious beliefs and our system of government in which private enterprise and individual achievement are recognized. Our way of life has provided the highest standard of living ever known to man. We know that you understand and believe in democracy.

You have a divine mission to perform. You must spread the gospel of democracy, unselfishness, and godliness to maintain peace. If you fail, civilization will perish. You must succeed!

Stanley M. Kurtz

Supervising Principal

MARK H. LAYSER

TO THE CLASS OF '50:

The mid-point of the twentieth century has been reached and passed. The last half of this period may differ vastly in accomplishments from those of the previous fifty years. Your concern may not be in what has happened, but in what is going to happen between now and the end of this century.

As seniors, a part of your life has been spent in the first half of this century. As graduates and citizens of the community, your contributions to society will be felt more strongly in the future. While your life is before you, pleasant recollections of your youth will be stored in your yearbook. A half century from now your Conifer will stir your memories of pleasant, care-free lives at the period when you wandered through the halls of East Greenville High.

My best wishes,

Mark H. Layser.

CLASS SONG

Dear Alma Mater, we give thanks
For all that you have done,
But now it's ending, it's our fate
But we still have our mem'ries dear,
This graduation marks for us
The ending of twelve happy years;
Our halls and classes full of cheer,
We're leaving here tonight.

Farewell East Greenville High School,
We've been here four short years,
We've learned our lessons, played the games
And led the "Greenie" teams in cheers;
We'll go down south or way up north
No matter where we choose to roam
Still you East Greenville High School
Shall always be our home.

RICHARD ZIEGLER

President's Message

With the end drawing nigh, we, the seniors, realize that our childhood doors are closing behind us and manhood faces us. Shakespeare once said, "Parting is such sweet sorrow." Surely this pertains to our class now. The sweetness is the day we will receive our diplomas, and can stare the world straight in the face; but the sorrow will be the departing of each of us from our friends.

As we leave behind us the foremost thing in our lives, and take the road which we hope leads to success, we leave it as a child leaves his favorite top. School will now be only a memory. Our leaders and members of the faculty have brought us successfully through these changeable years, and we thank them from the bottom of our hearts. We shall never forget them and we hope that they may find a place in their memories for us.

Class History

NINTH GRADE

We boarded the train at E. G. H. S. in 1947. Many of these novices were non-resident boys and girls, at this stage having their first taste of high school life. Those personalities, which were so new to each other four years ago, are now deeply entwined, having shaped into fine and lifelong friendships.

Beginning our high school career as freshmen, we chose the following class officers: President, Wallace Stauffer; Vice President, Betty Stahl; Secretary, Raymond Barndt; Treasurer, Martha Imbody . . . selected green and gold for class colors . . . ordered our emblems . . . were very sad when Earl Sell was killed.

TENTH GRADE

We found that as striving sophs, we had little activity. We had for our class officers: President, Richard Greulich; Vice President, Raymond Barndt; Treasurer and Secretary, Esther Freed.

Due to a difference of opinion between the "ladies and gents", we couldn't quite get together on the subject of "hats", so before we were aware of it the year rolled around and we had no class memory for that year. However, this was a small incident and one soon forgotten by the time we became juniors.

We mustn't forget that this was the year the "Ziegler-Stahl" romance which, by the way, is still blooming. To mention a few more, we add Loretta and Gordon . . . Nancy and Bud (Edge to be exact, and a very cute couple) . . . and as we all know, Martha and Steve.

We are also very proud to say that Dick Ziegler was already a promising necessity on our "Greenie Squads".

ELEVENTH GRADE

As juniors, we really buckled down to work. For our class officers we chose: President, Richard Ziegler; Vice President, John Hallman; Secretary, Loretta Schwenk and Treasurer, Howard Smythe . . . received our rings December 3 . . . decided upon talisman rose as class flower . . . sponsored a very successful prom, "Winter Frolic," in our gym on January 29 . . . presented "Those Websters," March 10 and 11 . . . proudly discovered that Richard Ziegler was named as one of the all-star football and basket players . . . encountered a love affair between Norma Edge, Henry Lachman and Evan Kranzley . . . barely lived through our chemistry classes.

TWELFTH GRADE

Now comes our proud debut as seniors and preparation for our grand exit as graduates. We wisely chose the following class officers: President, Richard Ziegler; Vice President, John Hallman; Treasurer, Howard Smythe and Secretary, Loretta Schwenk.

As seniors we found ourselves laden with responsibilities, some new to us and some with which we had been acquainted during our junior trial. Due to the efficiency of our classmates, we were able to conquer most of our bridges.

Among our memories will be those offers from many noted colleges for Richard because of his ability in the field of sports, and we are proud to know that he has made his choice with West Point.

We chose as our class play, "The Doctor Has A Daughter", which was given December 2 and 3 under the direction of Mr. Kindred and Miss Kessler. We decided to try a new thing this year by presenting it on a Saturday night, and found it as successful as we had expected.

The entire class is eagerly looking forward to the completion of the Conifer, which we believe will be the best ever produced. We still have our senior prom coming up in May, for which we have engaged Matt Gillespie and his orchestra.

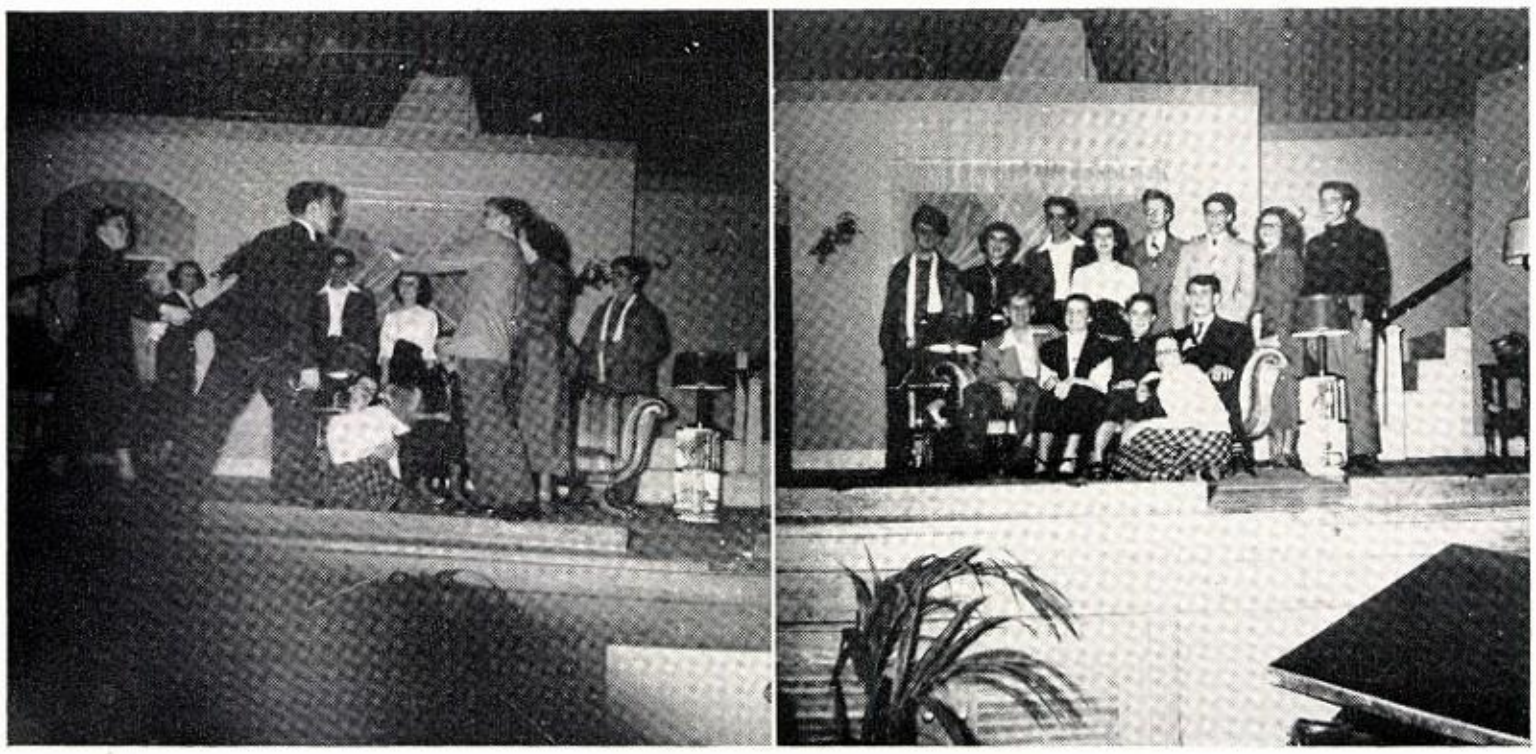
Junior Play



"Those Websters" was a comical mixup of football games, history tests and engagements. The events that followed the flunking of Bill's history test kept the Webster home, and the people around them, generally confused and lead into peculiar situations. This play was directed by Harold H. Hehr.

Friday and Saturday, December 2 and 3, 8 P. M., "The Doctor Has A Daughter" was a howling success, playing to a full house on both nights.

It was the story of Tommy Billings, a junior miss, who had seen too many movies for the town's good. Her schemes back-fired, getting everyone into trouble. As the end drew near, things straightened out, with Tommy victorious.

Champs Again

The East Greenville Yellow Jackets, or Greenies as sometimes called, went through a rough season on the gridiron. Although hindered by many costly injuries, they finished the season in a blaze of glory by defeating Boyertown to win the league championship. Included in the injuries were two seniors, Arthur DeLong and Marvin Reiman. There were also other major injuries. Quarterback Raymond Stoneback dislocated and chipped his hip and was out of the sports picture for an indefinite time. There were some players who were playing their last game for the Yellow Jackets. They were Richard Ziegler, fullback; John Hallman, end; Marvin Reiman, tackle; Robert Welch, tackle; Daniel Ganowsky, guard and David Greulich, center.

The scores of the schedule were as follows:

East Greenville	20	Quakertown	7
East Greenville	6	Spring City	0
East Greenville	34	Collegeville	8
East Greenville	41	Schwenksville	7
East Greenville	26	West Pottsgrove	0
East Greenville	32	North Coventry	7

First Row—G. Oplinger, K. Miller, R. Ziegler (Captain), M. Duka, C. Balduzzi, R. Swenk.
Second Row—R. Baseley (Manager), R. Ensminger, J. Hallman, W. Guldin (Coach), R. Kressly, R. Leister, R. Steinman (Manager).

Basketball

The East Greenville High School basketball team went through an almost undefeated season this year, losing only to Boyertown, the first league game by a 40 to 38 score. It was the Greenies' first basketball championship since 1939. Their nearest competitors were Collegeville and Royersford.

After winning the title, the Greenies entered the district play-offs. On March 7, the team bowed to a good defensive team called Darby, being eliminated from the play-offs. However, the outlook for next year is not very dull. There are four juniors on the starting team. They will all be back next year. There are also a few promising youngsters. Here's wishing them luck.

Winning Coaches . . . Pritchard and Guldin.

The scores for the season are as follows:

East Greenville	40	Coopersburg	39
East Greenville	45	Alumni	47
East Greenville	51	Sell-Perk	49
East Greenville	58	Pennsburg	35
East Greenville	38	Boyertown	40

Third Row—Mr. Roth (Coach), A. DeLong, R. Ziegler, C. Balduzzi, J. Hallman, R. Welch, Mr. Neiman (Asst. Coach).

Baseball

The East Greenville High School baseball team will be trying again this year to repeat their record of last year. Last year the team won the Montco League baseball championship by defeating Hilltown, 2-1. This year the team will be badly in need of a few major infield players. The school has purchased new uniforms. Here's hoping they succeed in their effort to make it a clean sweep in all sports in the new Perkiomen-Schuylkill League. The schedule is as follows, with the teams repeating in the second half.

East Greenville	Boyertown
East Greenville	Schwenksville
East Greenville	West Pottsgrove
East Greenville	Royersford
East Greenville	Collegeville
East Greenville	North Coventry
East Greenville	Pennsburg

Kneeling—H. Pfrommer, J. Heimbach, M. Rothenberger (Captain), E. Freed, G. Stahl.
Standing—Mrs. Kranzley (Coach), P. Hillegass, D. Fritz, P. Layser, G. Long, M. Freed, P. Shewell, J. Bartman, J. Rothenberger, S. Cashatt (Manager), B. Rothenberger (Manager).

Hockey

The hockey team this year enjoyed a very successful season. Under the able direction of Mrs. Kranzley, the fighting spirit of the girls led them on to a co-championship in the Upper Montco League.

The Greenies, undefeated in league games, won five games and tied two. Although most of the games were "close", probably the most exciting game was that played with Pennsburg to determine the co-championship. This game ended in a victory for the Greenie Maids, therefore a co-championship with Collegeville-Trappe resulted.

The members of the varsity were: Captain, Mae Rothenberger; Pat Layser, Joan Rothenberger, Geraldine Stahl, Grace Long, Esther Freed, Peggy Shewell, Hope Pfrommer, Marilyn Freed, Jeanette Heimbach, Phyllis Hillegass, Delores Fritz, Jeanette Bartman.

Results of the Season:

East Greenville	2	Royersford	1
East Greenville	5	Schwenksville	0
East Greenville	2	Boyertown	2
East Greenville	3	West Pottsgrove	0
East Greenville	1	Collegeville	1
East Greenville	1	North Coventry	0
East Greenville	1	Pennsburg	0

First Row—L. Schwenk, H. Fircz, J. Bieler, M. J. Hillegass, E. Rothenberger (Captain), P. Layser, F. Schantz, C. Gilbert, M. Freed.
Second Row—J. Cashatt (Manager), P. Hillegass, J. Bartman, J. Hayes, Mrs. Moser (Coach), G. Long, B. Reiman, B. Rothenberger, J. Moll (Manager).

Girls' Basketball

Although the Greenie Maids did not have a victorious basketball season, they displayed good sportsmanship and determination in every game. Capably coached by Mrs. Moser and her assistant, Miss Prutzman, the girls showed improvement throughout the season.

Having lost a majority of their games, the team brought the season to a close with an exciting victory over Royersford. For many team members this game was their last at E. G. H. S.

When the present seniors graduate the team will lose the following players: Captain, Eleanor Rothenberger; Mary Jane Hillegass, Helen Fircz, Loretta Schwenk, and Joan Bieler.

Results of the season:

East Greenville	19	Boyertown	63
East Greenville	8	Schwenksville	25
East Greenville	23	West Pottsgrove	33
East Greenville	15	North Coventry	19
East Greenville	26	Pennsburg	28

Girls' Softball

A girls' softball league was organized this year in the Perkiomen-Schuylkill Valley League, and for the first time in many years East Greenville High is again participating in softball.

Approximately thirty-two girls reported for the first practice, from which a squad of fourteen girls has been chosen. Miss Prutzman and her assistant, Miss Platt, are coaching the team.

The Student Council

Sitting—L. Angstadt, M. Rothenberger, P. Bardman, Mr. Layser (Advisor), D. Moll, E. Freed, G. Walt.

Standing—K. Bozelli, J. Bricker, G. Benner, W. Bieler, W. Myers, J. Peart, T. Fetterman, R. Sell, C. Bieler, J. Rothenberger, P. Gery, K. Mohr.

The Student Council operates under a constitution drawn up by the students, with faculty approval. The purpose of the council is to give the pupils a share in the management of school affairs, to help promote worthwhile activities and to foster the principles of good citizenship among the students by actual participation.

The Student Council this year affiliated itself with the National Association of Student Councils and is also a member of the Tri-County Student Council Conference. East Greenville Student Council acted as host to the Tri-County Conference in March of this year.

Student Council is a clearing house for student and class problems. It is a means by which all the homerooms may learn what activities or projects are planned by the school, and at the same time it is a place where they may air their problems. Student Council is a coordinating agency for the homerooms of the school.

The general account of the school fund is supervised by the council, and financial aid for worthy projects is provided by the council. The council's chief source of funds is the profit from the football games' food concession. Student Council is ready to serve and represent the student body.

CLUBS IN ACTION

Club Doings

VISUAL AIDS CLUB

The purpose of this club is to familiarize pupils with the various visual aids apparatus in our school such as: Movie projectors, baloptican, strips film machine, wire recorder, radio and the amplifier system. After the student is acquainted with the machines, each member is instructed in its operation.

The club prepares students to assist teachers in presentation of visual aid materials in classroom teaching. The club also prepares the pupils to make wire recordings for classroom and out-of-class-activities.

Membership to this club is open to all pupils, however, senior high school students are especially encouraged to join this club.

HOBBY CLUB

The Hobby Club tries to interest every member in a particular hobby. This is done by starting with one hobby and explaining it fully, and then covering another in the same manner until the term ends.

Two of the hobbies which are particularly stressed are photography and stamp collecting. The students are instructed how to develop films, print photographs and enlarge them. They are also taught how to start a stamp collection and told which stamps are most desirable to own.

Every member is encouraged to select a hobby for himself and then learn all he can about it. Interest in a hobby may develop to a point where a hobby becomes a person's vocation.

LITERATURE CLUB

The Literature Club, conducted by Mr. Schlegel, concentrated on classical and modern short stories. It also centered its interests on stories of humor, horror, suspense, love and adventure, and finally discussed the detective story as found in magazine fiction.

The discussion of books and the time given to the students to participate in reading matter made them realize the value of good books and magazines.

HANDIWORK CLUB

The Handiwork Club met every Tuesday in Miss Roeder's homeroom. The club has had the special purpose of teaching the girls to be skillful in the arts of knitting, crocheting, and embroidering.

Some of the items persued in the club meetings were: embroidering scarfs, pillow cases, etc.; crocheting simple etchings and knitting socks, mittens and sweaters.

The officers of this club were:

President ..... Nancy Schantz
Vice-President ..... Helen Kriebel
Secretary ..... Betty Moyer
Treasurer ..... Geraldine Stahl

Club Doings

SCIENCE CLUB

The purpose of the Science Club is to train students of the junior high school to manipulate scientific apparatus by doing simple experiments.

Among this group of experiments are such as glass bending, preparing oxygen, converging light rays with magnifying lenses, learning to properly focus a microscope and observing various specimens, and preparing distilled water.

The club is under the direction of Miss Prutzman and Mr. Kreider. The supervision of the work for the various groups is delegated to students who are familiar with the arrangement of the science rooms and stock closets.

INTRA-MURAL AT E. G. H. S.

The intra-mural club inaugurated a new system this year. That is, it eliminated all boys and girls who play varsity sports from its membership. This was done in order to accommodate boys and girls who wanted to play football, basketball, baseball, etc., but did not have the ability to make the varsity squads. This club meets Tuesdays on the school grounds in warm weather, and in the gym in winter. The club was directed by Mr. Pritchard, Mr. Neiman and Mrs. Moser.

The record of our athletic teams in the past few years seems to answer all questions of accomplishment; however, any time during the day, whether in gym class, during lunch hour or after school, you can see our boys and girls in action playing with more poise and confidence, because of increased knowledge of the games and better coordination and ability, acquired only through practice and experience.

MODERN DANCING CLUB

The purpose of the social dancing club is to teach the basic social dancing steps to those students who heretofore have never had an opportunity to dance. Another aim is to give added confidence to those persons who already dance, assuring them and their dates of a more smoothly running social life.

This club meets every Tuesday in the gym under the supervision of Miss Kessler and Mr. Kindred.

LIBRARY CLUB

The Library Club, under the supervision of Mrs. Miller, works for the benefit of the entire student body. Keeping the books in order on the shelves, decorating the bulletin board, mending books, and filing magazines and newspapers, are a few of the many duties of the club members.

The officers of the club are:

President ..... Jean Tucker
Vice-President ..... Mae Rothenberger
Secretary ..... Raymond Barndt
Treasurer ..... Nancy Hasson

Library Club members usually try to give service in the library several periods a week, thus gaining pre-vocational training and experience.

ART CLUB

The Art Club encourages pupils to express themselves in the form of art. The different mediums for this work are: Pastels, glass painting, tempera, engraving copper, creating designs and posters, and sculpturing.

The club also gives the pupils a chance to acquaint themselves with different media and to become skilled in the use of each.

Treasurer ..... Harold Moyer
Reporter ..... James Grier
Sentinel ..... Earl Kulp

The members, under the supervision of Mr. Ensminger, placed a winning exhibit at the Reading and Allentown Fairs, and also at the Pennsylvania State Farm Show.

The chapter participated in various activities throughout the school year which are as follows: Assisted with the Upper Perkiomen Valley Community Fair; conducted a successful F. H. A. and F. F. A. dance; entered members in the Pennsylvania Electric Association essay contest; constructed nine air compressors, which were sold to local farmers; assisted farmers with the harvesting of their corn crop and other minor activities.

The F. F. A. strives to put into practice their motto which is:

Learning to do,

Doing to learn,

Learning to live.
